WHERE: Our Cabana World Centre

WHO: Adult members

COST: \$4,650 approx per participant

Included: Airfares, event fee, administration, insurance, leaders travel fund.

Not included International uniform, transfers, visa fees, spending money.

During February each year we hold our Butterfly event. Of course during the February event there is also the wonderful opportunity of being at Our Cabana for Thinking Day, a very special moment for everyone. The Butterfly sessions are for 9 nights and they include an overnight trip to Angangeo in the state of Michoacan to visit the Monarch Butterfly Sanctuary of El Rosario. We spend one night in a village near the sanctuary where you will see the marvelous sight of butterflies coming to life in the warmth of the sun. Each year, millions of butterflies migrate from the USA and Canada to spend the winter months and reproduce in Mexico. The sights are spectacular and well worth the climb up through the mountain paths to see them clinging to the trees.
